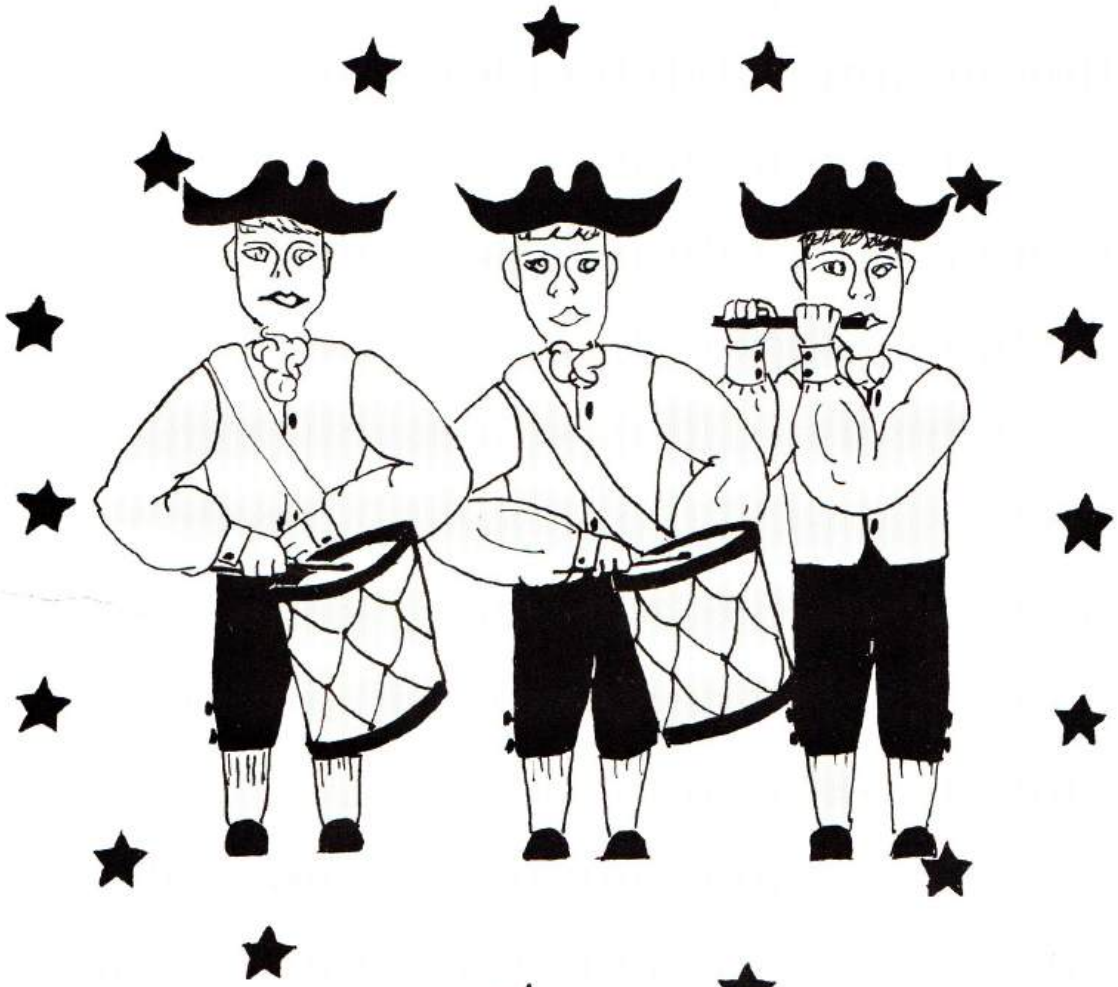
TROJAN

A SALUTE TO ...

THE TROJAN SPIRIT...



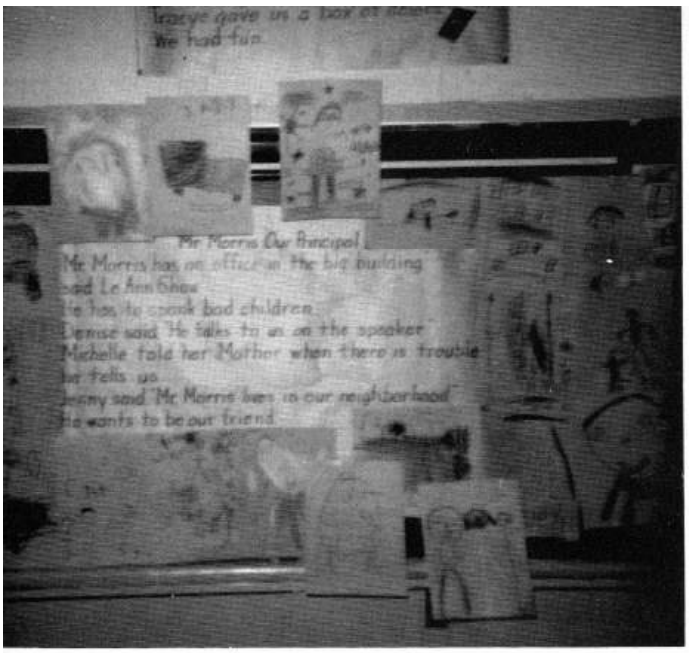
... OF 76

We the people of Troy Junior High, wish to recognize the two hundredth birthday of America, and the importance of its bicentennial. For two hundred years America has existed as a mighty nation. So, to America and her citizens, who have so loyally stood by her, we dedicate, with all our hearts, this 1976 Trojan Yearbook in hopes that you will remain free and your people brave.

Principal
Charles A. Morris

It has been a privilege for me to serve as teacher, coach, and principal at Troy Junior High for the last nine years. As this year's eighth graders move on toward a new phase in the completion of their educational goals, I hope that these past years will be remembered as being both beneficial and enjoyable.

Sincerely,
Charles A.
Morris



Mr Morris Our Principal
Mr Morris has an office in the big building
said LeAnn Shaw
He has to speak bad children
Denise said He talks to us on the speaker
Michelle told her Mother when there is trouble
he tells us
Jenny said Mr Morris lives in our neighborhood
He wants to be our friend

Classes

"WHAT'S IT ALL ABOUT . . .

The world is large, a place for living and learning. Learning . . . not just for today. Term papers due, history research in the library, science experiments completed, trying mathematical equations . . . all for the future. Troy Junior High offers activities and experiences for kindergarten through eighth grade."
